**POLICIES AND PROCEDURES
OF THE INTEGRITY COMMITTEE
OF THE COUNCIL OF THE INSPECTORS GENERAL
ON INTEGRITY AND EFFICIENCY**

1. Statement of Purpose

Members of the Inspector General community are charged with protecting the integrity, efficiency, and economy of the Federal government and its programs, activities, and operations. To maintain public trust, all Inspector General community members must adhere to high standards of official conduct and are accountable in the event that they fall short of those standards. The statutory mandate of the Integrity Committee (“IC”) of the Council of the Inspectors General on Integrity and Efficiency (“CIGIE”) is to receive, review, and refer for investigation allegations of wrongdoing made against Inspectors General or Acting Inspectors General who are members of CIGIE (“IGs”), designated members of the senior staffs of those IGs, and the Special Counsel and Deputy Special Counsel of the Office of Special Counsel (“OSC”), and to ensure the fair, consistent, timely, and impartial disposition of allegations that fall within the IC’s statutory mandate.

These policies and procedures (“Policies”), required by section 11(d)(7)(B) of the Inspector General Act of 1978, as amended, 5 U.S.C. app. (“IG Act”), were adopted by the IC in conjunction with the CIGIE Chairperson, and in consultation with the Public Integrity Section (“PIN”) of the Department of Justice (“DOJ”) and the OSC.

2. Persons within the IC’s Authority

The IC considers allegations of wrongdoing against any of the following individuals (“Covered Persons”):

- A. An IG;
- B. A staff member of an Office of Inspector General (“OIG”) whose position is designated under section 4 of these Policies (“Designated Staff Member”);
- C. The Special Counsel and the Deputy Special Counsel of OSC, but not their staff members. For purposes of these Policies, requirements pertaining to an IG also apply to the Special Counsel and Deputy Special Counsel, except that the Special Counsel is not required to designate staff members under section 4 of these Policies; and
- D. Anyone serving in an Acting or Interim capacity in a position set forth in A through C of this subsection.

At its discretion and consistent with the public interest (including the availability of an effective remedy), the IC may consider wrongdoing alleged to have occurred while an individual served as

a Covered Person, even if that individual is no longer a Covered Person or in government service when the IC receives the allegation.

3. IC Governance

- A. Membership. By statute, the IC consists of the following six members: the official of the Federal Bureau of Investigation (“FBI”) serving on CIGIE; the Director of the Office of Government Ethics (“OGE”) or the Director’s designee; and four IGs appointed by the CIGIE Chairperson to serve terms of 4 years each.
- B. IC Chairperson. The IC shall elect one of the four IG members as IC Chairperson, who will serve a 2-year term of office.
- C. IC Vice Chairperson. Upon election, the IC Chairperson will appoint one of the IG members to serve as IC Vice Chairperson to act in the absence of the IC Chairperson and to perform such other duties as may be assigned by the IC or the IC Chairperson. The term of office of the IC Vice Chairperson shall expire at the end of the term of office of the appointing IC Chairperson.
- D. Legal Advisor. The Chief of PIN or the Chief’s designee will serve as a Legal Advisor to the IC.
- E. Designees. The Director of OGE and the Chief of PIN may designate members of their respective staffs to substitute for them on the IC, either long-term or episodically.
- F. Allegation Review Group. Designees of the Attorney General, the Special Counsel, and the IC Chairperson (“Allegation Review Group”) will review incoming allegations and promptly refer to PIN, OSC, or the IC any allegations within their respective purviews, pursuant to section 6(B) of these Policies.
- G. Working Group. An IC Working Group (“Working Group”) will assist the IC in the execution of its responsibilities. Its members shall include the IC Program Managing Director (responsible for administering the day-to-day operations of the IC) and may include a legal advisor and other staff from CIGIE, staff from the offices of IC members, staff from other OIGs, or contractors.
- H. Meetings. The IC will convene regularly and no less than monthly (including in person, as necessary) to conduct business, unless pending business is insufficient to warrant a meeting or quorum is lacking. A written agenda and materials relating to any matter before the IC for determination will be made available to IC members for independent review in advance. The IC will maintain minutes of determinations made regarding each agenda item. The minutes shall be made, kept, and distributed as necessary to maintain the confidentiality and integrity of criminal or OSC investigations referenced in section 6 of these Policies and to effect recusals under section 3(K) of these Policies.

- I. Quorum. A quorum is required for the IC to deliberate on an allegation or take any action concerning an allegation. A quorum consists of four members of the IC. The IC Chairperson will immediately notify the CIGIE Chairperson if (1) the IC Chairperson determines that consideration of a pending matter is urgent, cannot reasonably be delayed, and a quorum cannot be established within 5 business days or (2) more than two of the IG members are recused from a matter. Upon notification, the CIGIE Chairperson will appoint as temporary members of the IC the number of IGs necessary to establish a quorum.
- J. Voting. Determinations by the IC require the vote of a majority of participating members. At the discretion of the IC Chairperson, matters may be decided on ballot in a form determined by the IC Chairperson rather than at a meeting.
- K. Recusal of IC members and others. A recused IC member will not vote or otherwise participate in the consideration of a matter from which the member is recused. All recusals will be noted in the minutes of the meeting at which the recusal is determined.

A member of the IC, the Allegation Review Group, or the Working Group is recused from participation in:

- i. Matters in which that member or another person in that member's office or agency has personally and substantially participated. For purposes of this provision, the FBI is deemed to be in the same office or agency as DOJ OIG;
- ii. Matters as to which the member believes that his or her impartiality would be questioned by a reasonable person with knowledge of the relevant facts. Members who have determined that their own recusal is not necessary under this subparagraph may nevertheless disclose a potential basis for recusal for final determination by the IC;
- iii. Any matter as to which participation would violate or create a conflict of interest under a law, regulation, or mandatory standard applicable to all Federal employees or officials in the Executive Branch of the United States;
- iv. All matters before the IC while the member knows that he or she is under criminal investigation or IC investigation;
- v. Any matter as to which the IC determines that the circumstances present would lead a reasonable person with knowledge of the relevant facts to question the member's impartiality in the matter. An IC member whose recusal is at issue will not vote on such determination; and
- vi. Any matter that requires a security clearance, if the member does not hold the requisite clearance.

- L. Mandatory disclosure of investigations. An IC member, Allegation Review Group member, or Working Group member who knows that he or she is the subject of a criminal or Federal government investigation shall promptly disclose that information to the IC.

4. Designation of Staff Members by an Inspector General

Annually by May 15, each IG must submit to CIGIE's Executive Director and to the IC Chairperson a designation of the positions that report directly to the IG. In addition, each IG must designate any positions with significant responsibilities such that, in the judgment of the IG and depending on the size and organization of the particular OIG, there is a heightened risk that an internal investigation of them would lack objectivity in fact or appearance.

5. Referral of Allegations of Wrongdoing to the IC

A. Reporting by an IG.

- i. Allegation concerning the IG. An IG will promptly refer to the IC in writing any allegation of wrongdoing concerning that IG.
- ii. Allegations concerning Designated Staff Members. An IG will promptly refer to the IC in writing any allegation of wrongdoing concerning a Designated Staff Member if –
 - a. Review of the allegation cannot be assigned to an agency of the executive branch with appropriate jurisdiction over the matter; and
 - b. The IG determines that an internal investigation of the matter might not be objective in fact or appearance.

- B. Allegations received from other sources. If the IC receives an allegation from a source other than the affected IG that a Covered Person has engaged in wrongdoing, the IC will exercise its authority over review of such allegation to the same extent as if it had been referred to the IC by the affected IG. In its sole discretion, the IC may refer allegations related to a Designated Staff Member to the affected IG for a determination by the IG pursuant to section 5(A)(ii) of these Policies.

6. Receipt, Initial Review, and Referral of Allegations for Consideration at IC Meeting

- A. Receipt of Allegations. The IC will track each incoming communication that makes or relates to allegations of wrongdoing concerning any Covered Person, official, or staff member of an OIG and immediately provide that communication to the Allegation Review Group.
- B. Review and Referral by the Allegation Review Group. Within 7 business days after the IC's receipt of a communication as specified in section 6(A) of these Policies, the members of the Allegation Review Group will determine whether the allegation will be referred to PIN, OSC, or the IC. The Attorney General's designee will identify any

allegations of a criminal offense for referral to PIN, and the Special Counsel's designee will identify any remaining allegations within OSC's jurisdiction for referral to OSC. Any matter referred to PIN or OSC is closed by the IC, subject to reopening if referred back to the IC or if otherwise deemed appropriate by the IC. Any matter not referred to PIN or OSC within 7 business days after the IC's receipt of a communication will be referred to the IC with a statement as to whether the allegations concern a Covered Person.

- C. Coordination with PIN and OSC on concurrent matters. For matters referred to PIN or OSC, the IC may concurrently consider and investigate related allegations and will consult and coordinate with PIN or OSC, as the case may be, in doing so.
- D. Action by PIN on referred allegations. As to any matter referred to PIN,
- i. PIN will notify the IC, for appropriate action under these Policies or otherwise,
 - a. If PIN concludes that the allegation warrants criminal investigation; or
 - b. If PIN or another prosecutive authority (1) declines or defers further action; (2) brings an unsealed criminal charge; or (3) concludes a criminal investigation without charges being filed.
 - ii. PIN will submit to the IC a summary report of the results of any investigation that relates to a matter within the authority of the IC, consistent with other law (including Federal Rule of Criminal Procedure 6(e)). The content of such a report will be at the discretion of PIN and no particular information must be provided by PIN on behalf of DOJ or other prosecutive authority.
 - iii. If at any time during the course of the IC's review of a matter (including during an IC investigation) substantial information is uncovered that indicates a criminal offense (i.e., information that the FBI or an IG would ordinarily refer to a prosecuting authority), the IC will promptly consult with PIN and, if requested by PIN, follow the procedures outlined in this section. If the IC Chairperson determines that such consultation is urgent, the IC Chairperson may personally conduct that consultation.
- E. Action by OSC on referred allegations. As to any matter referred to OSC,
- i. OSC will notify the IC
 - a. If OSC concludes that the allegation warrants investigation by OSC; or
 - b. If OSC declines or defers further action or concludes an investigation without initiating further action, OSC will refer to the IC any allegations of wrongdoing against a Covered Person.

- ii. OSC will submit to the IC a summary report of the results of any investigation that relates to a matter within the authority of the IC, consistent with other law. The content of such a report will be at the discretion of OSC and no particular information must be provided.
- F. Placement on the IC agenda. Matters referred to the IC by the Allegation Review Group will appear on the agenda for consideration at the next IC meeting. Along with the agenda, the IC will distribute to the members (i) unclassified materials received by the IC supporting the allegations; (ii) allegations referred to PIN or OSC, together with a copy of the associated materials received by the IC; (iii) recommendations provided by the Allegation Review Group addressing whether allegations referred to the IC relate to a Covered Person; and (iv) notifications and summary reports received from any allegations referred back to the IC by PIN and OSC pursuant to paragraphs (D) and (E) of this section.

7. IC Review Process and Actions

- A. Threshold standard. The IC takes action on allegations of wrongdoing against a Covered Person that involve abuse of authority in the exercise of official duties or while acting under color of office, substantial misconduct, such as gross mismanagement, gross waste of funds, or a substantial violation of law, rule, or regulation, or conduct that undermines the independence or integrity reasonably expected of a Covered Person.
- B. IC review of referred allegations. Upon referral to the IC from the Allegation Review Group, a referral back to the IC from PIN or OSC, or a matter having otherwise been reopened, the IC shall take one of the following actions:
- i. Request further information. The IC may determine that the allegations and associated materials provide insufficient information or lack sufficient supporting documentation to permit the necessary determinations and, without initiating a preliminary investigation, direct that additional information be sought. This may include requesting additional information from the complainant or referral source, reviewing open source information, or other limited inquiry. Time expended in obtaining this additional information shall be excluded from the time provided for review by the IC.
 - ii. Request response. The IC may request in writing that the Covered Person who is the subject of the matter (the “Respondent”) submit a written response to some or all of the allegations within 20 days (the “Response Period”). In accordance with section 14 of these Policies, due care will be taken to protect the identity of a complainant or informant, if a written response is requested. Upon request by Respondent, the IC Chairperson may grant an extension of the Response Period for up to 20 days, subject to paragraph (D) of this section. Absent extraordinary circumstances, no further extensions will be granted.

Where a written response has been sought, the IC will consider the allegations and any associated materials received by the IC, together with any written response, at the meeting that follows expiration of the Response Period and determine whether to refer the matter for investigation.

iii. Take action in accordance with paragraph (C) of this section.

C. IC Actions. Within 30 days of a referral to the IC from the Allegation Review Group, a referral back to the IC from PIN or OSC, or a matter having otherwise been reopened, subject to extension as specified in paragraph (D) of this section, the IC will take one of the following actions:

i. Determine threshold standards not met. Determine that the allegations do not meet the threshold standard, and close the matter;

ii. Determine allegations refuted. Determine that the written response sufficiently answers or refutes the allegation(s) and that further inquiry or investigation is not warranted, and close the matter;

iii. Make findings on the existing record. Determine that the record is sufficient and make findings, conclusions, or recommendations as to some or all of the allegations without investigation;

iv. Refer for investigation. Refer to the IC Chairperson for investigation allegations that meet the threshold standard (Note: the IC may refer a matter for investigation without requesting a response from the subject if the allegations clearly warrant an investigation and a response would not serve a useful purpose or would result in unnecessary delay);

v. Refer to another agency. At any time, refer all or part of allegations (including allegations outside the IC's authority) to an affected IG, an agency within the Executive Branch with jurisdiction, or another appropriate authority, and close the matter. The IC may notify the complainant or referring source that it has referred the allegation(s), and will take due care to protect the integrity of investigations by other agencies and to protect the identity of a complainant or informant pursuant to section 14 of these Policies. The IC may elect to exercise authority over certain allegations, even if it has referred other allegations in the same matter to another agency. With respect to matters referred to PIN or OSC, the IC will consult with PIN or OSC prior to exercising its jurisdiction; or

vi. Refer to the CIGIE Chairperson. Refer allegations that do not meet the threshold standard to the CIGIE Chairperson for any appropriate action.

D. Extension and Congressional notification. The IC may extend the initial 30-day period for its review and determination of allegations by another 30 days (e.g., due to an extension granted to the Respondent for a response) and must provide written notice to

the Congressional committees designated in section 11(d)(8)(A)(iii) of the IG Act (the “Congressional committees of jurisdiction”) of the case-specific reason(s) that additional time is needed. The notice must provide sufficient facts to explain why the IC requires additional time for its review and determination but must not reveal the substance of the underlying allegations.

8. IC Investigations

- A. Timing of investigation by the IC: The IC Chairperson shall complete an investigation within 150 days after receiving a referral for investigation by the IC. If the investigation cannot be completed within the 150-day period, the IC Chairperson will promptly notify the Congressional committees of jurisdiction regarding the general reasons for the delay. The notification shall be updated every 30 days until the investigation is complete.
- B. Engaging an Assisting IG to conduct an investigation.
- i. CIGIE will maintain a list of OIGs capable of undertaking investigations for the IC, and these responsibilities will be rotated and allocated among CIGIE members so as not to create an undue burden on any particular OIG. To the extent possible, investigations will be conducted by an OIG of a similar size, except that this shall not apply to OIGs with fewer than 50 employees.
 - ii. When so authorized by the IC Chairperson, CIGIE will engage an OIG from the list maintained by CIGIE to investigate the allegations referred by the IC (“Assisting IG”). The IC will provide to the Assisting IG a written description of the allegations to be investigated. The IC and the Assisting IG will agree in writing on the scope of the investigation (“Scope Letter”), a copy of which will be retained by the IC.
 - iii. With the assistance of the IC, CIGIE and the Assisting IG shall enter into a memorandum of understanding (“MOU”) regarding the provisions of the investigative services. The MOU shall incorporate by reference the Scope Letter; however, the Scope Letter will be retained with the IC recordkeeping copy of the MOU pursuant to section 13 of these Policies and will not be retained with other CIGIE records, such as with finance records or other administrative copies of the MOU.
 - iv. The MOU will include provisions specifying:
 - a. that conduct of the investigation is subject to the control and direction of the IC Chairperson;
 - b. that the investigation is to be completed within 150 days of the date on which the IC referred the matter for investigation;

- c. that the Assisting IG will provide to the IC periodic status reports concerning the progress of the investigation;
 - d. the requirements for retention and dissemination of working papers and similar records compiled or prepared in the conduct of the investigation (“IC Investigative Working Papers”);
 - e. procedures for responding to requests for disclosure of IC Investigative Working Papers;
 - f. that the Assisting IG must immediately notify the IC if the investigation discovers evidence of a crime and that further action will be coordinated with PIN;
 - g. the terms on which CIGIE will reimburse costs incurred by the Assisting IG in connection with the investigation;
 - h. that the Assisting IG will notify the IC Chairperson promptly upon determining that a Respondent has interfered with or otherwise prejudiced the investigation; and
 - i. if the IC’s investigation relates to a matter under investigation by PIN or OSC, that the Assisting IG will coordinate and deconflict with PIN or OSC.
- C. Investigation conducted by CIGIE Investigator.
- i. In lieu of engaging an Assisting IG to conduct an investigation, the IC Chairperson may elect to conduct the investigation using CIGIE staff, personnel detailed to CIGIE by an OIG, or contractors engaged by CIGIE (collectively a “CIGIE Investigator”), subject to the control and direction of the IC Chairperson.
 - ii. In that event, the IC will prepare a Scope Letter and, to the extent other than CIGIE staff are used, CIGIE will enter into an agreement with terms substantially equivalent to an MOU with an Assisting IG.
 - iii. A CIGIE Investigator has substantially the same duties and responsibilities as an Assisting IG for purposes of sections 8 and 9 of these Policies.

9. Conducting Investigations

- A. Notice to Respondent and opportunity to speak with the investigators during the investigation. The IC Chairperson will coordinate with the Assisting IG when to provide written notification to the Respondent of the following:
- i. The allegations to be investigated;

- ii. That additional allegations may be investigated as they become known; and
 - iii. That the Respondent will be given the opportunity to speak with investigators and provide materials prior to the conclusion of the investigation and to submit a written response to the IC concerning the report of investigation.
- B. Standards for investigations. The investigation will be conducted in accordance with the most current *Quality Standards for Investigations* issued by CIGIE and utilize the investigative procedures of the Assisting IG unless otherwise directed by the IC Chairperson.
- C. Reviewing the status of an investigation. The IC will monitor the progress of all pending investigations. If additional allegations are received in a matter or if additional allegations surface during the course of the investigation, the IC Chairperson, in consultation with the IC, may direct the Assisting IG to expand the scope of the investigation to include such new matters, as appropriate.
- D. Notice of interference with investigation. If the IC determines that a Respondent has interfered with or otherwise prejudiced an investigation, the IC may notify the Respondent's appointing authority, the CIGIE Executive Chairperson, and the CIGIE Chairperson, and may offer recommendations for corrective and disciplinary action.
- E. Conclusion of the investigation. At the conclusion of the investigation, the Assisting IG will provide to the IC Chairperson a written investigative report (including any exhibits) setting forth the relevant facts and conclusions regarding the allegations. Subject to the directions of the IC Chairperson, the format of the report will be determined by the Assisting IG. Unless otherwise determined by the IC, once the Assisting IG submits its report of investigation, the investigation is considered complete.

10. Post-Investigation Review of Reports of Investigation by the Respondent and the IC

- A. Review and comment by the Respondent.
- i. Materials for the Respondent's review. A copy of the report of investigation (including any exhibits), or portions of it pertaining to a particular Respondent, will be made available to that Respondent for review. Respondent will also be able to review a transcript of any recorded interview of that Respondent and/or a summary memorandum of any unrecorded interview of that Respondent. The IC Chairperson, after consultation with the Assisting IG as appropriate, may make appropriate redactions pursuant to applicable law or regulation (e.g., the Privacy Act) and in accordance with section 13(B) of these Policies or to protect the identity of a complainant, referring source, or witness in accordance with section 14 of these Policies.

- ii. Submission of comments by the Respondent. The Respondent will have 10 business days, beginning when the report of investigation was provided or made available for review, to submit a response to the IC. The IC may grant additional time to submit a response or to submit a more complete response. Absent extraordinary circumstances, no further extensions will be granted.
- B. Review by the IC. The IC will review and assess the report of investigation, along with any exhibits and any response thereto, and discuss the proposed findings and conclusions. The Assisting IG may be asked to present the report at a meeting of the IC and answer questions about the investigation and the report.
- C. IC determination.
- i. Ultimate issues for the IC. The IC will determine whether (1) facts within the report of investigation are proven by a preponderance of the evidence and (2) those facts provide a reasonable basis to conclude that the Respondent engaged in particular wrongdoing. The IC may request the Assisting IG to perform additional investigative work and supplement the report of investigation if necessary to make its determination.
 - ii. Recommendations generally. The IC may make recommendations, including recommendations for disciplinary action.
 - iii. Recommendations involving an Acting IG. Whenever the IC makes findings of wrongdoing on the part of an Acting Inspector General, the IC's conclusions and recommendations may include a recommendation that the CIGIE Chairperson work with the appointing authority to ensure that the affected OIG has interim leadership legally empowered to act on the conclusions and recommendations, including, if necessary, designation of an interim IG.
 - iv. Determination memorialized. The IC's findings, conclusions, and recommendations will be set forth in writing. Dissenting findings, conclusions, and recommendations may be filed by any IC member.

11. Communication of IC Findings, Conclusions, and Recommendations

Within 30 days after completion of the investigation (to the maximum extent practicable), the IC will forward the report of investigation (and any exhibits) and the IC's findings, conclusions, and recommendations, as specified in section 10(C) of these Policies (collectively "IC Report"), in the following manner:

- A. To the CIGIE Executive Chairperson, the CIGIE Chairperson, and the appointing authority (the President [for an IG or Designated Staff Member within an establishment] or the head of the designated federal entity [for an IG or Designated Staff Member within

a designated federal entity] for appropriate action). The Executive Chairperson of CIGIE will inform the IC of the final disposition of the matter, including any action taken by the appointing authority.

- B. To the Respondent, with a copy to the affected IG if the Respondent is a Designated Staff Member.
- C. To the Congressional committees of jurisdiction.
- D. The IC, after consultation with the Assisting IG as appropriate, may make appropriate redactions pursuant to applicable law or regulation (e.g., the Privacy Act) and in accordance with section 13(B) of these Policies or to protect the identity of a complainant, referring source, or witness requesting confidentiality in accordance with section 14 of these Policies.

12. Notice of Closure

- A. Closure. An IC matter not otherwise closed pursuant to these Policies is deemed closed upon the forwarding of the IC Report as specified in section 11 of these Policies. The IC, however, will be notified upon receipt of final disposition of the matter from the Executive Chairperson of CIGIE.
- B. Notification of closure. Unless the matter was communicated anonymously, the IC Chairperson will notify the complainant when a matter is closed. The IC Chairperson will also notify any Respondent from whom the IC had requested a response or whose conduct was the subject of an investigation. All such notices will be subject to applicable laws and regulations regarding disclosure.

13. IC Records

- A. Maintenance and Disposal of IC Records
 - i. Content of Records. All documents received or transmitted by the IC in fulfilling its responsibilities under the IG Act (including, but not limited to, written allegations against Covered Persons; IC correspondence; IC Investigation Working Papers; reports of investigation; reports of final actions taken with regard to proven allegations; and memoranda providing the final dispositions of allegations determined to be frivolous or outside the authority of the IC, or otherwise closed without further investigation) will be maintained as IC records and will be kept separately from other CIGIE records. The CIGIE Chairperson is the statutory custodian of all IC records pursuant to section 11(d)(13) of the IG Act.
 - ii. Criminal Investigative Files Not Included as IC Records. The IC records will not include any criminal investigative files or work product except for (1) the receipt of allegations of criminal conduct; (2) referral of a matter to the IC arising from a

- criminal investigation; (3) referral of a matter back to the IC following consideration by PIN or another prosecutive authority; or (4) a summary report provided by PIN pursuant to section 6(C) of these Policies.
- iii. Maintenance of records. The IC will maintain its records as required by law with appropriate security and access restrictions.
 - iv. Disposal of records. IC records will be disposed of in accordance with applicable record disposition programs.
- B. Disclosure of IC Records
- i. Privacy Act protection and restrictions on disclosure. IC records will be maintained in accordance with the Privacy Act of 1974, 5 U.S.C. § 552a (“Privacy Act”). The records may be disclosed only in response to the written request of, or with the prior consent of, the individual to whom the record pertains under the conditions specifically set forth in the Privacy Act at 5 U.S.C. § 552a(b), applicable regulations, or as otherwise permitted or required by law.
 - ii. Access by individuals to their own records. An individual may request access to records pertaining to himself or herself by means of the procedures prescribed by the Privacy Act and its implementing regulations.
 - iii. Congressional disclosures and reports.
 - a. The IC Chairperson will provide IC Reports to Congressional committees of jurisdiction as specified in section 11(C) of these Policies.
 - b. Once an IC Report has been submitted to the Congressional committees of jurisdiction, subject to any other provision of law that would otherwise prohibit disclosure of such information, the IC Chairperson:
 - 1. shall provide the IC Report to any Member of Congress upon request;
 - 2. shall provide more detailed information about specific allegations included in an IC Report at the request of any Member of Congress;
 - 3. may provide the IC Report to any Member of Congress in the absence of a request.
 - c. The IC shall prepare an annual report regarding the IC’s activities for transmission to the Congress by the CIGIE Chairperson by December 31 of each year. The annual report shall include the information specified in section 11(d)(9) of the IG Act. Upon the request of any Member of Congress, subject to any other provision of law that would otherwise prohibit disclosure, the IC Chairperson

shall provide more detailed information about specific allegations referenced in the annual report.

- d. CIGIE will refer to the IC Chairperson any Congressional requests for information pursuant to sections 11(d)(8), (9) or (10) of the IG Act or otherwise relating to the activities of the IC.
 - e. The IC Chairperson will promptly notify the IC members and the CIGIE Chairperson of any Congressional requests for information and will prepare a response, with copies to the IC members and the CIGIE Chairperson.
 - f. All Congressional requests for information submitted to the IC falling within the scope of and/or pursuant to section 552a(b)(9) of the Privacy Act will be referred to the IC Chairperson, with notice to the IC members and the CIGIE Chairperson. The IC Chairperson will be responsible for responding to such requests. The IC Chairperson will provide a copy of such response to the IC members. The IC Chairperson will also provide a copy of such response to the CIGIE Chairperson if the CIGIE Chairperson has need for the response in the performance of his or her CIGIE duties.
 - g. Congressional requests that do not fall within the provisions of the IG Act or the scope of section 552a(b)(9) of the Privacy Act will be handled in accordance with section 13(B)(iv).
 - h. The IC will not provide information while an allegation or investigation is pending, except as required by sections 11(d)(8), (9), and (10) of the IG Act or otherwise required by law.
- iv. Disclosures pursuant to the Freedom of Information Act, 5 U.S.C. § 552.
- a. The following requests for IC records will be handled pursuant to the Freedom of Information Act, 5 U.S.C. § 552 (“FOIA”), and applicable regulations implementing FOIA:
 - (1) requests for access by individuals to their own records (in addition to the procedures described at section 13(B)(ii));

Upon request by the IC under section 7(B) or 7(C) of these Policies, an IG or other person with full and final authority to provide access under this section (Authorized Person) must provide and direct the staff of the OIG to provide the IC or its designated investigators with full and timely access to all OIG records, documents, witnesses, and other information that the IC or its designee deems necessary to carry out the IC's duties and responsibilities under section 11(d) of the IG Act. In reviewing or investigating an allegation of wrongdoing against a Covered Person in a particular OIG, the IC shall have access to OIG records, documents, witnesses, and other information to the same extent, and under the same terms, that section 6 of the IG Act provides each IG with such access with respect to its establishment. Any Authorized Person shall be considered to be a Covered Person pursuant to section 2(D) of these Policies.

B. IC Requests for Assistance – Other Entities and Agencies. Upon request, an OIG, including the IG, Authorized Person, and its senior leadership, will assist the IC or its designated investigators in obtaining records, documents, witnesses, or information from any establishment, entity, or agency. An OIG, including the IG, Authorized Person, and its senior leadership will, upon request, assist the IC in resolving any disputes arising from any such requests.

If the IC makes such a finding for failure to cooperate, then the IC will provide the affected IG or Authorized Person the opportunity to comment on the report, as reflected in section 10 of these Policies.
