

Michael S. LaForge

Mr. LaForge is an assistant director with the U.S. Government Accountability Office (GAO) in Dallas, Texas. Mike has been at GAO for over 20 years with the Financial Management and Assurance team and is currently responsible for the team's work related to the Digital Accountability and Transparency Act of 2014 (DATA Act), Federal Financial Management Improvement Act of 1996 (FFMIA), federal financial management systems, and financial management shared services. He has also performed a variety of performance audits related to the Department of Defense (DOD) and Department of Homeland Security (DHS) high risk financial management areas, cost management, and debt collection. He has received numerous awards over the years, including GAO's Meritorious Service awards and Results Through Teamwork Award.
