

**COUNCIL OF THE INSPECTORS GENERAL
ON INTEGRITY AND EFFICIENCY**

Instructions: Developmental rotations must be at least 680 work hours, either part-time or full-time, and can be four months to one year in duration. The position should allow the Fellow to demonstrate leadership on an initiative/project that supports developing ECQ competencies. Projects/initiatives should be broadly defined and not excessively limited by technical knowledge requirements. Fellows are expected to work in rotations outside of their normal area of expertise.
