

CIGIE Data Analytics Forum

Monday, June 26, 2017 • 8:30am – 4:00pm

Location: US Department of Education • LBJ Auditorium, 1st Floor
400 Maryland Ave SW • Washington, DC 20202

The target audience for this forum are those OIG professionals who do not use or have limited use of data analytics at their agency, but are interested in incorporating data analytics into their current processes.

The power of analytics is constantly unfolding and being discovered.
