

INSPECTOR GENERAL
CRIMINAL INVESTIGATOR ACADEMY
384 Marana Circle
Glynco, Georgia 31524

The Inspector General Criminal Investigator Academy (IGCIA) utilizes experienced criminal investigators from the federal Inspector General (IG) community to act as facilitators during several programs, including Advanced Interviewing for IG Investigators (AIIGI), Essentials of IG Investigations (EIGI), Hotline Operator Training Program (HOTP), IG Investigator Training Program (IG-ITP), and Undercover Investigations Training Program (UCITP).

We are currently seeking diverse Special Agent volunteers to facilitate training in this year's programs. **The IG CIA covers all facilitator travel costs.**

Facilitators augment the IG CIA staff by mentoring and assisting the students in an interactive training environment. This experience has proven to be beneficial to the students, the facilitators, the IG CIA staff and the training programs. It also provides an excellent developmental opportunity for participating agents.

Facilitators should have 10 or more years of criminal investigator experience and at least five years in an OIG. Graduation from the Criminal Investigator Training Program (or equivalent) and either the IGITP or the IG Transitional Training Program are prerequisites. Additional requirements apply for facilitators supporting particular programs as follows:

- AIIGI: Strong interviewing skills and techniques, including familiarization with rapport, theme development, and evidence presentations;
- HOTP: Knowledge and experience in hotline operations and interviewing;
- IG-ITP & EIGI: Strong leadership, interviewing, and report writing skills;
- UCITP: Extensive experience working in an undercover capacity.

Eligible agents must have the approval of their Assistant IG for Investigations (AIGI) to participate.

To nominate facilitators or for further information, please contact the appropriate IG CIA Program Manager as follows:
